VALENTINA

In the last issue of Mayfair Valentina was happily nestled between Calri Bank's thighs, tongue deep and lapping away at her pussy juices! But we thought this month we'd let you see Valentina on her own, in all of her glory. "I had a great time with Carli and we both had so many orgasms, so much so that when I got home I told my boyfriend I just wanted to go to bed and get some sleep, which is a first for me. You should have seen the disappointment on his face, I'm usually super horny after a shoot. Well, I guess I'll have to make it up to him when I get in later on!"

FAYE TAYLOR

The delightful Faye is like a chameleon, she'd been in several of our other magazines and now she's trying her hand in Mayfair! "I can be whatever you want me to be, I can dress up as Santa, have balloon fights and have girl-on-girl orgies, but that was for your other magazines. Now it's my turn to dress up sexy and try and seduce your readers rather than give them a laugh or two before they bash one out!"

NINA LEIGH

Nina's looking rather lovely these days, isn't she? The reason, we found out, is that she's been a bit of a gym bunny of late, keeping herself in shape with all sorts of sweat-inducing exercises down at the local health centre. But is that really necessary, we wonder...? "Hmm, probably not – I don't have to worry about my weight or anything. It's just that there's this really hot personal trainer who works there, and when I'm not at the gym, all I can do is fantasize about going!" So, have you been getting up to anything naughty with this instructor? "No! He's got a girlfriend so I'm in a bit of a fix. I don't know whether to try and lure him away from her, or just play it cool." Sadly, we're not in any position to advise – but if you want someone to take your mind of him for a bit...

To opt out of marketing messages text OPTOUT to 69997.

Celeste was desperate to appear in Mayfair all on her own, without someone else trying to steal her thunder, although we've never seen her complaining when another girl or boy has been thrown into the mix. As if someone could steal her limelight! And she was such a popular hit when she was last in the magazine that we've been having her fans beg for more. So, as to not disappoint you, please feast your eyes on Celeste one more time, and we have a strange feeling it won't be the last time!

AMY

Mmm, Yorkshire's finest Amy Green looks better and better every time we see her! Has she discovered some sort of secret formula, because if so, there are one or two people round the Paul Raymond office who could use a bit of it pronto! "No, there's no secret, I'm afraid – plenty of exercise, plenty of fresh air, and plenty of you-know-what seems to do the trick for me!" Hmm, assuming you-know-what means booze, then we can feel a bit more justified in our stroll to the boozer every lunch... but you probably don't mean booze, do you? "Sorry guys – I'm afraid not!"

The air-con is busted and poor August and her friend are stuck indoors in sweltering one-hundred degree heat. We're already excited at the prospect of what might be about to happen, and to our delight our dreams have come true! The overly hot beauties have no choice but to strip off to nothing in order to try and cool down, but they just couldn't help themselves and before long the temperature in the room went through the roof!

TEAGAN

We couldn't have been in a more Texan setting for wanna-be rancher Teagan Presley's than during this photo shoot! "Once I'm done with my 'adult' career I'm going to sink all of my money into a ranch in Texas and I'm going to breed and ride horses." So, you've started your career riding one type of meat, and you're going to finish it off straddling over another? "Ha ha, I'd never thought of it like that, but yes. I'm still going to be enjoying sitting atop nice big cocks when I retire, but it will just be for personal use though, and not the wider audience." That's a shame!

TOMMIE JO

Well, we've been bowled over by Tommie Jo the red head, blown away by Tommie Jo the brunette, and now it's time to be totally titillated by the blonde Tommie Jo! "I think it's important to change things around in life!" she grins. "It's the same with all sorts of things – not just the colour of my hair. Sometimes I'll just get fed up with everything in my wardrobe and I'll get a whole new set of clothes. And of course it's also the same for the men in my life! No matter how much fun a guy is – whether's he's got a big knob, a nice body, or knows just what to do with his tongue and fingers, sooner or later you fancy something a bit different, and it's time to move on!" Wow, that's brutal Tommie!

RYDER

Ryder Skye likes nothing more than bathing herself in the sun, but she's having none of those pesky tan lines covering her bits and bobs! "No, I don't do tan lines so if I'm going to be out in the sun it has to be on a nudist beach or pool club. Some girls might not like it but I get a kick out of gross old men with wrinkly dicks staring at me and licking their lips, and I find it hilarious when they get a slap across the face from their wives. If you've got it, you have to flaunt it, right!" Amen to that!

ZOE HOLLOWAY

We do like the more mature women here at Mayfair and Zoe Holloway more than fits the bill. Put her in stockings and a pair of stilettos and you've got the perfect formula to get our pulses racing! "I do think it's important to make a bit of effort and dress up for a man. Unfortunately, on the odd occasion, it does get a bit too much for some men I date. Let's just say they don't last as long as I'd like them to when I've got my legs wrapped around them with my heels digging into their back. Thankfully there's always time for round two!" And don't forget round three!

MONICA

The scrumptious Monica loves to put on a show during a photo shoot and she put on a right belter for us on this occasion. She's always asking what kind of outfit we'd like her to wear and we're always very honest with her. We really don't care, just as long as you bring that fat dildo with you! And we're sure you'd all agree, the clothes are a nice touch but that juicy snatch is what it's all about! Get 'em off!

LINDA

PHOTOGRAPHED BY ED ALEXANDER

If you live up North and are a frequenter of the night-clubs of those parts, you'll be no stranger to the fact that the seaside town of Morecambe is, for reasons that mystify all of us down South, the unfortunate butt of countless jokes. To give you one example: 'A nuclear bomb went off in Morecambe yesterday and caused a quid's-worth of damage.' Depending on what side of Luton you live, you're either now in paroxysms of mirth or re-reading the gag to see if you missed the point. Twenty-one-year-old Linda Quinn, who's a Morecambe-born lass, sniffs with an unmistakable air of disapproval. 'I don't think there's anything in the least bit funny

about Morecambe,' she avers. 'The name doesn't even sound funny. I mean I could see somewhere like Bootle or Eccles sounding funny, but why Morecambe? It's a really lovely area. You've got some smashing places round Morecambe Bay which never get crowded even in the height of summer; the Lake District isn't that far away; and if you're interested in history, there's a church which was founded over a thousand years ago at Heysham. The people here are getting a bit tired of having fun poked at them, I can tell you.' When not striking a blow for the serious citizens of Morecambe Linda's 36–24–36 may be found in Lancaster putting her impeccable list of academic qualifications to good use by researching a planned book upon, would you believe, the sociological impact of motorways upon rural communities. 'In fact,' says Linda, 'it isn't exactly a book, more an extended thesis. A friend of mine is a sociologist and I'm helping him with the spadework, so to speak. Lancaster is pretty rural and there's the M6 near, so it's apparently a good area for a study

along these lines. What I have to do is go out and talk to people whose lives have been changed due to the motorway and try and discover whether these changes have been for the better or the worse. As you can probably imagine, they're sometimes a little reticent, but once they do get talking, their stories can be fascinating. The only snag is that the work is so time-consuming I have very little left for my own social life. By the time I've finished typing out my notes, I'm usually ready for bed.' She grins. 'Alone, or with a good book!'
